

Inch by Inch

Reading the SIMPLE TRUTHS e-letter this week I thought about how absolutely true this quote is when trying to get organized.

"Inch by inch, life's a cinch. Yard by yard life is hard. "

If you think about organizing your whole space, it can easily seem impossible. Choose ONE surface, ONE drawer, ONE corner to work on! Inch by inch you CAN transform your space-- faster than you imagined.

Here's the site: www.simpletruths.com. I enjoyed the mini-film version (after turning off the music). The quotes and images are good.

Wishing you success with your inches!
